

*Welcome Pamela Mitchell*

*Program Coordinator for the Severe Weather Network*

My name is Pamela Mitchell and I am so excited to join the team at Severe Weather Network! I am passionate about helping others in any way possible and feel honored to do so as SWN Program Coordinator. I have a background in social work and earned my undergraduate degree at Eastern Michigan University and my master's degree at Wayne State University. I am a Licensed Master Social Worker with more than a decade of professional experience. I have had clinical assessment and therapeutic positions throughout southeast Michigan. I have also served as a probation officer in both Wayne County and Livingston County. My career focus has been working with individuals and families and helping them to make positive changes to live more fully. Daily, I strive to follow God's lead, find the lesson and joy in all circumstances, and share that with others! A favorite quote of mine is: "Peace. It does not mean to be in a place where there is no noise, trouble or hard work. It means to be in the midst of those things and still be calm in your heart."
